**COVID-19 Pandemic Risk Acknowledgment**

2020

This Risk Acknowledgement is intended to ensure that the above guardian is fully aware of, and accepts the inherent risks associated with the COVID19 pandemic. A particularly challenging element of the COVID-19 pandemic is the likely transmission by infected persons who do not exhibit signs or symptoms of illness. The disease may be spread by individuals who test negative for the virus one day but show symptoms a few days later. Individuals may spread the disease for several days before symptoms appear or test positive. By signing this Risk Acknowledgement, the above guardian is fully aware of Iris Elharar Dahoah's inability to eliminate or fully control such risks.

However, to the extent possible, all efforts will be made to implement precautions to minimize potential transmission during Teen Classes. As per CDC (Center for Disease Control) guidelines the following will be implemented: mask usage, social distancing (6 feet apart) and increased sanitation of high touch areas as well as minimizing utensil sharing.
